

# The Controlant Platform (SCM)

**Manually start a shipment**

# Manually start a shipment

In the event a shipment is not automatically started in the system, users can proceed as follows:

- 1. In the Info tab, select **Ship**.
- 2. In the popup window, select the applicable *date and time* or *reset to now*, to ship at the current timestamp. The default will show the current timestamp.
- 3. Click **Confirm**.
